Page	Variable	
3	COLLINS OPINION	What is your opinion of Annazette Collins?
4	WINTERS OPINION	What is your opinions of Eddie Winters?
5	GOLDMAN OPINION	What is your opinion of Jonathan Goldman?
6	REP CHOICE	If the Democratic Primary for State Rep were held today, for whom would you vote?
7	GOLDMAN POSITIVE 1	Would you be more likely or less likely to vote for Jonathan Goldman if you knew he has been a public interest advocate for the past 20 years on issues such as the environment, consumer protection, public health, and education?
8	GOLDMAN POSITIVE 2	Would you be more likely or less likely to vote for Jonathan Goldman if you knew he was a long time school reform leader who has been elected to local school councils five times, and is currently chair of the Drummond Montessori Local School Council?
9	COLLINS NEGATIVE 1	Would you be more or less likely to vote for Annazette Collins if you knew she voted to allow the freeze on Cook County property taxes to expire resulting in skyrocketing property taxes in our community?
10	COLLINS NEGATIVE 2	Would you be more or less likely to vote for Annazette Collins if you knew that in the nine years she has been a state representative, she has passed the FEWEST number of bills of any representative, and that she has repeatedly been absent from Springfield and missed important votes?
11	COLLINS NEGATIVE 3	Finally, would you be more likely or less likely to vote for Annazette Collins if you knew she has voted against both Universal Background Checks on Handgun Purchases and strengthening penalties against admitted gangbangers who use guns to commit a felony, and that she believes that we should teach our children how to shoot guns in our schools.
12	RECONSIDER	After considering these facts, we'd like to ask you once again if the Democratic primary election for your State Representative were held today, for whom would you vote? I'll read the list again in ballot order, and repeat it once to give you a chance to think about it.
13	GENDER	What is your gender?

Participants: 546 Likely Democrat Voters

Margin of Error: ± 4.37%

COLLINS OPINION
